# Introduction

Glass is known for its timeless quality and immense creative possibilities and has proved never to go out of fashion. Especially, when it comes to creating stunning interiors and show stopping fixtures in the form of contemporary furniture.

Since 1979, 'Capital Glass' continues to define and redefine the future of glass in decor industry. Capital's range of solutions extends to define the future of habitat itself, across diverse living spaces... The latest addition to our products is Customised 3D & 4K Ultra HD Glass Films, the first of its kind where we utilize the latest printing technology and heat lamination process to produce stunning customized printed glass creations.

The Premium design collection for wardrobes will move you away from traditional decor glass & open your imagination to new contemporary glass art adding glamour to your interiors. A whole new range of premium, high clarity and quality prints which unites art with the brilliance of glass to give your interiors a stunning look.

By utilizing the latest 4k print technology we are trying to redefine the applications of photography and graphics, and create durable modern images on glass to produce amazing glass creations, that last for a lifetime. Now Architects & Designers can now print their imagination even with complex design themes on clear glass, toughened glass or any desired surface. Transferring your images and creating unique glass is now so easy.

Glass applications are endless and can include printing images on Wardrobes, Profile Shutters, Kitchen Splashbacks, Dado Glass, Glass Partitions, Sliding panels, Table tops, etc. Even wall glass art are a modern alternative to regular canvas paintings. Its appeal and style even make it perfect for corporate signage, landscapes, portraits, collage or memorable family pics. Dare to impress and surround yourself with décor glass prints for truly one of a kind custom looks.
